1. The report aims to compute the income of the person under the respective heads. It is not a computation of the tax liability, as the company does not have information about the other income of the person.
2. Calculation of profit/loss is based on First-in-First-out (FIFO) method.
3. The calculations are limited to the information provided by the user.
4. Use of TaxNodes does not guarantee non-initiation of scrutiny proceedings by the CBDT.
5. All fiat values and prices are in INR unless stated otherwise.
6. This report is intended for tax purposes and should be reviewed for accuracy and completeness by the individual or their tax advisor before use.
